# Welcome

## **Nepal: A Land of Natural Beauty and Cultural Richness**

Nestled in the heart of the Himalayas, Nepal is a country of extraordinary landscapes and profound cultural heritage. From the snow-capped peaks of Mount Everest to the lush plains of the Terai, Nepal's geography is as diverse as its people. Its rich history dates back thousands of years, with influences from Hindu and Buddhist civilizations that still shape its vibrant traditions today. Festivals, temples, and colorful rituals define daily life, while the warmth and hospitality of the Nepalese people leave a lasting impression on every visitor.

## **Nepal Paediatric Society: Advocating Child Health**

The Nepal Paediatric Society (NEPAS) is a professional organization dedicated to promoting child health and the wellbeing of children across Nepal. Since its establishment, NEPAS has played a vital role in advancing paediatric care through advocacy, education, research, and collaboration. It unites paediatricians and child health professionals to address the challenges facing Nepal's children, striving for excellence in clinical practice, public health initiatives, and policy-making. Through continuous medical education and nationwide outreach, NEPAS remains at the forefront of paediatric advancement in the region.

## **NEPCON-2025: 21<sup>st</sup> National Paediatric Conference of Nepal**

We are delighted to invite you to NEPCON-2025, the 21<sup>st</sup> National Paediatric Conference of Nepal, organized by the Nepal Paediatric Society. This prestigious biennial event brings together paediatricians, researchers, and child health experts to share knowledge, foster collaboration, and discuss the latest advancements in paediatrics. NEPCON-2025 promises a dynamic platform of scientific sessions, workshops, and networking opportunities in a vibrant and collegial atmosphere. Join us in celebrating progress and innovation in paediatric healthcare-set against the breathtaking backdrop of Nepal.

# Message from the President

Dear Esteemed Guests, Colleagues, and Friends,

It is with immense pleasure and pride that I welcome you to Nepal and to NEPCON 2025, an academic extravaganza and scientific bonanza that promises to be a landmark event in the field of paediatrics. This year's conference is designed to be a vibrant platform for knowledge exchange, collaboration, and innovation—bringing together a diverse and vital group of professionals including paediatric residents, paediatric nurses, general practitioners, policymakers, and all those dedicated to the health and well-being of children in Nepal.

The program is packed with an exciting range of academic and social activities, including:

- Inspiring Orations by renowned experts,
- Plenary Sessions featuring global thought leaders,
- Guest Lectures by distinguished speakers,
- Engaging Panel Discussions on pressing paediatric issues,
- Free Paper Presentations showcasing cutting-edge research,
- A Gala Dinner to foster camaraderie and networking,
- A Cultural Show celebrating the rich heritage of Nepal.

We are confident that NEPCON 2025 will not only enrich your professional expertise but also offer a unique opportunity to experience the warmth and hospitality of Nepal.

Let us come together in this spirit of learning and collaboration to share ideas, strengthen partnerships, and work toward a healthier future for all children. Your presence and participation make this event truly special.

Thank you for being part of this extraordinary gathering. We look forward to your active involvement and wish you a memorable, meaningful, and rewarding time in Nepal.

Warm regards,

**Maj. Gen. Dr. Arun Kumar Neopane (Retd.)**

President (2023–25)

Nepal Paediatric Society

# Message from the Organising Secretary

Dear Esteemed Colleagues,

It is with great enthusiasm that I invite you to the 21<sup>st</sup> National Conference of the Nepal Paediatric Society (XXI<sup>st</sup> NEPCON 2025), scheduled to be held from 22<sup>nd</sup> – 24<sup>th</sup> May 2025 at The Plaza Convention Centre, Lalitpur. This year's theme, *"Climate Change and Its Impact on Children: Safeguarding Future through Specialized Care,"* underscores our shared responsibility in addressing the pressing environmental challenges that affect child health.

The conference will serve as a vital platform for paediatricians, researchers, general practitioners, paediatric residents, paediatric nurses, policymakers, and all professionals involved in child health to exchange knowledge and strategies that can mitigate the impacts of climate change on children's well-being.

This three-day academic event will feature a comprehensive scientific program, including:

- Hands-on Workshops
- Thought-provoking Orations
- Insightful Plenary Sessions
- Chapter Symposiums
- Panel Discussions
- Free Paper Presentations
- Poster Exhibitions

Renowned experts from Nepal and across the globe will share their insights on paediatric healthcare advancements, fostering collaboration and innovation within our field. With around 400 participants expected, NEPCON 2025 promises to be a vibrant academic extravaganza.

We encourage you to take this opportunity to engage in stimulating discussions, present your research, and network with peers and global leaders. Your active participation will be invaluable in making this conference a resounding success.

Let us come together in Lalitpur to explore practical solutions and reaffirm our commitment to safeguarding the future of our children.

Warm regards,

**Dr. Prakash Joshi**

Organising Secretary, XXI<sup>st</sup> NEPCON 2025
